

Thank you OISTAT members from all over the world, without your passion and support, we couldn't have had this legendary year!

For the first time in OISTAT history, we held the OISTAT World Congress digitally. During the 6-day program online we made new friends, caught up with our members, and celebrated the beauty of cultural differences.

In 2022, World Stage Design will be held in Calgary, Canada on August 6-16. We can't wait to see you again!

Sincerely,
